

Hello,

Thank you for your interest in becoming a member of AMBUCS Long Island. AMBUCS is a non-profit organization dedicated to fundraising for and donating fully adapted bikes to individuals with disabilities. A membership with our chapter consists of assisting with chapter events (fundraising, bike days, etc.), as well as attending scheduled meetings. Members also are given the opportunity to join committees or run for board positions if desired.

We hope you join our AMBUCS team!

Below are a few questions to help us get to know you, and why you are interested in becoming a member of our team. Also attached is the Member application form that must be filled out in order to process your application. We look forward to inducting you as our newest member.
