About AMBUCS

National AMBUCS, Inc. is a 501(c)(3) non-profit corporation dedicated to creating mobility and independence for people with disabilities. The Long Island Chapter of National AMBUCS, Inc. is focused on the AmTryke® Project which entails the fitting, fundraising, and donating of AmTryke® therapeutic tricycles to individuals with disabilities. As the only chapter on Long Island, we provide bikes to children, adolescents, and adults across both Nassau and Suffolk counties. The AmTryke® Project enables individuals with disabilities to safely ride bikes, improving quality of life and promoting independence through exercise. This is achieved through various adaptations to the AmTryke® including frame size, frame positioning, seat selection, headrests, lateral support, foot cups, handgrip placement and pedal size. Every effort is made to ensure perfect individual fit. Your sponsorships are an important part of helping us to provide the resources and programs that are required for children to develop, learn values and life lessons such as caring, teamwork and sportsmanship that only come from participating in a team sport.

- * Since the cost of an adapted bike ranges from \$500.00 - \$1,000.00, donations of \$500.00 or more will sponsor one of our riders and you will receive a certificate of sponsorship along with updates on the rider.

Date: _____

Name: _____ Address: _____

Email Address: _____ Phone: _____

___ BRONZE = \$100.00 to \$499.00

___ SILVER = \$500 to \$999

___ GOLD = \$1,000 to \$1,499
